

ELECTRONIC ACCESS CONSENT FORM

I, _____, request temporary membership approval at Chicago Mercantile Exchange, Inc. ("CME"), to obtain reduced clearing fees by leasing or purchasing a membership for trading, with **non-trading floor access** prior to my election to membership.

I certify that I will make myself available to the staff of the Membership Department of CME to complete a preliminary interview and provide the necessary documentation to complete the application approval process including final consideration by the Membership Committee.

I understand that the availability to reduced fees is contingent upon the completion of the membership application process and failure to respond to the Membership Department's request will terminate my electronic access.

In addition, if I fail to comply with the Membership Department's request or if I am rejected by the Membership Committee, I will take no recourse against the CME except as provided in Section 8c of the Commodity Exchange Act and I understand that I am required to reimburse the CME for any financial benefits received during my temporary approval.
